

Trochu Show August 20, 2025

This is a small show in Trochu, Alberta featuring garden produce, photos, baking, flowers and other items which are usual to the old-time community garden shows.

Our club provided most of the glads and dahlias and the judges for same. The main contributors were Ron and Terri-Lyn Dodd, Shirley Cullum and Debbie Hatt. Everyone is always amazed at the beautiful display, and we keep hoping that this will encourage community members to exhibit.
